Plant-based spring rolls

What's the secret? The secret to our delicious plant-based spring rolls is our Vertis™ textured pea canola protein, which delivers the satisfying, crunchy texture of minced meat. This is complemented by a range of beef flavors that add depth, complexity, and a well-rounded meaty note. Finally, it's combined with a plum miso teriyaki marinade. The best part? Our plant-based spring roll filling is not only delicious but also nutritious. Packed with protein and fiber, it's a healthy choice for you and your family.

Target audience

Consumers seeking a sustainable and high-protein spring roll filling

Eating moment
