Seafood Instant Noodles

Instant boost with MSC certified shrimps from the North Atlantic. Containing sustainably harvested fish and seafood to protect our oceans and ecosystem, these noodles offer a taste of the sea. A satisfying and responsible choice for the palate and the planet.

Benefits

Taste

Our innovative instant noodle solution, featuring sustainably harvested shrimps, enhances the authentic taste with the addition of shrimp, langoustine, and anchovy powders. This blend is particularly effective in delivering rich, seafood flavors while supporting sustainable practices.

Health)

This fish & seafood soup offers an instant boost with healthy goodness of vitamin B1, B3, and B6. These are essential nutrients that your body uses to create energy. We've also included fibers. vitamin D and iron.

Sustainability

We make sure, that our fish & seafood noodles are sustainable harvested and a 100% natural product from side streams.

Front of pack claims

- Nutri-score B
- · Source of protein
- · Source of Omega-3 fatty acids
- · Low in fat
- Natural flavors
- We are MSC certified Look for the blue MSC label www.msc.org

Manufactured in a facility that also processes milk, eggs, peanuts, nuts, sesame, mustard, soy and wheat and therefore may contain traces of all the above.

dsm-firmenich solutions

- Maxarome® Nikomi provides authentic kokumi sensations which is a rich flavor profile typical for Japanese cuisine.
- Maxagusto® brings a rich, lingering authentic roasted, sauteed vegetable and spice notes.
- MEG-3° contains (powdered) eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA). Recent research has shown these compounds to have triglyceride lowering activity, which may be helpful in reducing the risk of cardiovascular diseases.
- Shrimp and Langoustine extracts bring slightly sweet notes and a delicate taste profile.
- Anchovy powder brings a salty, fishy and pungent taste.
- Lemon and ratatouille flavors give extra freshness and savory taste in this.
